Heavy Metals – STATEMENT

The substances restricted in accordance with Directive Packaging and Packaging Waste Directive 94/62/EC, US CONEG Model Toxics legislation in relation to the heavy metals that states the sum of Cadmium, Mercury, Lead and Chromium (VI) in products should be below 100 ppm.

Are not expected to be present in Ritrama products at or above the specified concentration.

This statement is valid for the product as such, as supplied by Ritrama and does not cover subsequent transformations (printing, die cutting, further coating or lamination) for which the suitability for food contact needs to be re assessed.

The above information is provided to the best of Ritrama's knowledge and belief based on the declaration of our materials' suppliers and experience of the manufacturing process. However, Ritrama does not specifically analyze for the presence of the substances referred to above and cannot guarantee the absence or level of these substances to any specific limit or threshold value.

Disclaimer:

This information is for guidance only, it is based on our most up-to-date knowledge and experience and we cannot assume any liability for damage caused through its use.

This statement does not constitute any warranty, express or implied and is only intended for the recipient and cannot therefore be transferred to any third party. We cannot assume any liability for using our products in conjunction with other materials.

All our products are sold subject to Ritrama's general sales conditions and please additionally note that you should ensure that any existing laws are observed.

This publication replaces all previous versions published and any and all information is subject to change without notice.
